Dear Geneva Country Club Golf Members,

The golf season is moving forward and our golf course is in fantastic condition despite the continuous rain and cool weather. Fast approaching is the Premier Golf and Social Event of the year at Geneva Country Club.

This year's Men's Member-Guest Tournament will take place from Thursday, July 13th thru Saturday, July 15th as a 45-Hole Match-Play Event & Shoot-Out. For those participants who would like to play more golf, we have added an optional practice round on Wednesday, July 12th. The following items will be included in this year's festivities:

- Thursday Night Hors D'oeuvres Party & Player's Dinner for Saturday Evening
- 3-Day Hole in One contest on all Par 3's
- Tee Gifts for Member and Partner
- Complimentary Beverages available on the course during tournament rounds
- Continental Breakfast and Lunches during the tournament
- Course Contests, Optional Para-Mutual Wagering & Optional Calcutta
- **Calcutta will be held Wednesday, July 12th with the Auction beginning at 7:30 Pm**

Applications will be accepted beginning on Thursday, June 1st at 8:00 Am. The first 36 paid applications will make up the field of 6 Flights. If we fill the field of 36, we will establish a waiting list of teams. If we have 6 teams on the waiting list we will add another Flight. Thursday & Friday Flight groupings will alternate with AM/PM Shot-Guns. Saturday will be AM Shot-Guns.

Finally, we will close this amazing event with the traditional Saturday Dinner Gala included in your entry fee for player & partner. A Hors D'oeuvres hour will precede the elegant sit down dinner.

We hope that the tournament will be filled to capacity this year. We would also like to remind those members who may not participate, that they will be welcome to sign up with Sarah Legott to attend the Saturday night dinner.

Sincerely,

William McDermott & Brett McDermott
2017 Tournament Chairmen

2017 GENEVA COUNTRY CLUB MEN'S MEMBER GUEST RULES SHEET

Match Play

Format:

- Matches will be played off the lowest handicap player in each group. The lowest handicap player in each group will play at scratch, with the other players in the group receiving the difference between their handicap and the lowest handicap player. The strokes will fall on the most difficult holes of the 9-hole match as they are represented on the card. All matches will be played at 100% of the player's handicap, and no ½ strokes will be given.
- **Four Ball Match-Play.**

Nine (9) points will be available for each match as follows:

- Win a hole = 1; Tie a hole = ½.
- **Max points awarded to the winners per match will be 9;** the losers will be awarded all their points.

Flight Ties:

- Ties will be decided by the result of the head to head match between the two teams previous match.
- If still tied, there will be a **One-Hole Playoff starting on Hole #9.** The format will be Better Ball of Partners. Handicaps will be at 90%
- A chip off (**Both players per team will chip, combined distance, from a location pre-marked by the committee**) will be the final method used to break the tie.

Playoff:

There will be a **5-hole Aggregate Best Ball playoff to determine the Overall Champions. The 6 Flight Winners will be grouped into 2 groups of three.** All teams will play 5-Holes (T.B.A.) in a 1 Best Ball of 2 Format. Handicaps will be played at 90% with a Maximum Differential 10 between partners. The team with the **Lowest Aggregate Team Score** will be **Crowned Champions.** 2nd and 3rd place (for Para-Mutual) will be determined by the next 2 lowest Aggregate Team Scores. If there is a tie for the Overall Champion, a sudden death playoff will occur on hole #9. Ties for 2nd and 3rd will be decided in a chip-off on #9 green.

Chip off: During the chip off (if necessary), opponents are not permitted to watch the chip, and they are not permitted to see the results of their opponent's chip. The Professional Staff will measure the result of each player's chip and remove the balls before the next team turns toward the green to prepare for their chip shots. Both players will chip and their combined distance from the hole will determine 2nd and 3rd place.
